Greca

ariel®

Engineered to last, mega tough Corolite polycarbonate sheets combine strength and impact resistance with glass like clarity and light transmission. This hardwearing and durable rooflight material is ideal for roofing applications which demand a sheet that punches above its weight for guaranteed long-term performance.

- High natural light transmission • Optically clear
- Damage and impact resistant • Lightweight and easy to handle
- Weather resistant • Longlife UV protection • Excellent fire performance
- Chemical resistance • 10 year limited warranty (Terms & Conditions apply)
